Position description

Introduction of the work of the team

The Civil Operations team provides a maintenance service for all of Council's civil assets. These include roads, drains, paths, signs and other assets in the roadway. The maintenance service includes proactive and reactive maintenance and ranges from repairing broken things to ongoing preventative maintenance like regular street sweeping to clear the roadway of debris.

POSITION OBJECTIVES

- Provide service as part of the day labour work team involved in civil maintenance by operating and maintaining plant and equipment.
- Assist other team members and ensure that agreed productivity and service levels are met.

ORGANISATIONAL RELATIONSHIPS

Reports to: Team Leader Civil Maintenance

Supervises: Team members as assigned.

Internal Relationships: All employees and Councillors.

External Relationships: Contractors, the general public and service authorities.

KEY RESPONSIBILITIES

- Operate assigned plant in a safe and appropriate manner (eg. Sweeper Trucks to 13.5T).
- Maintain the assigned plant to the required level of cleanliness and lubrication, including standard adjustments, consumable replacement, full daily plant checks, and logbook filling.
- Understand and adhere to operational standards of safety and security requirements following agreed work practices, including reviewing Safe Work Method Statements (SWMS) and completing risk assessments before commencing each work activity.
- Operate plant and perform work operations in accordance with Council policies and work practices.
- Ensure that the specified service levels are met and assist tradespersons, construction workers and maintenance personnel in reaching competitive service levels.
- Understanding records management obligations and responsibilities, making and keeping accurate and complete records of business activities and decision-making.
- Ensure that reports, timesheets and other paperwork, necessary for the efficient running of the Infrastructure Unit, are completed accurately and on time.
- Observe safe work process following provided training and instruction, reporting any risk (which may be financial, safety, site, task or person-specific) to the Team Leader Civil Maintenance. Comply with Surf Coast Shire Council's corporate Risk Management and Occupational Health and Safety policies and practices.
- Perform other duties and responsibilities reasonably within the capabilities of the position.
- This role will require scheduled work outside regular depot work hours, including weekday early starts and occasional weekends, to support the efficient street sweeping of busy central business district areas and busy holiday periods.

ACCOUNTABILITY & EXTENT OF AUTHORITY

- Accountable for the quality and quantity of work performed, promptly and efficiently, subject to available resources.
- Supervision and work output of staff under the control of this position as assigned.
- The employee will work under the general supervision of the Team Leader Civil Maintenance. They will, however, be expected to provide on-the-job guidance to subordinates.
